The New North

New North, Inc. is the regional marketing and economic development corporation fostering collaboration among private and public sector leaders throughout the 18 counties in Northeast Wisconsin. New North's mission is to grow, expand and attract business opportunities and world-class talent to the region, leading to regional prosperity. New North is a key strategic partner with the Wisconsin Economic Development Corporation (WEDC) and the State of Wisconsin, as well as local economic development partners and more than 100 private investors.

Our services include:

- In-depth business intelligence, data and analysis
- Site selection assistance and due diligence
- Connection to the entrepreneurial and innovation ecosystem
- Global trade and foreign investment assistance
- Building the digital economy pipeline for IT talent and K-12 pipeline
- Advancing sector development through industry alliances
- Connecting resources for business growth
- Convening and connecting Diversity & Inclusion regional assets

New North staff is ready to assist.
